*Be it resolved by the Legislature of the state of Utah, the Governor concurring therein:*

WHEREAS, the state of Utah was founded upon the principles of industry and

26 entrepreneurialism;

27 WHEREAS, technological industries, including industries in emerging technologies,  
28 play an increasingly important role in Utah's economy and culture;

29 WHEREAS, the state must remain open to new technologies and ideas to continue  
30 attracting talented and educated entrepreneurs to the state;

31 WHEREAS, publicly released in 2009, bitcoin is the world's first decentralized digital  
32 currency and may hold promising benefits for individuals, communities, and the state;

33 WHEREAS, bitcoin is based on the principles of free-market capitalism and is not  
34 centrally regulated;

35 WHEREAS, bitcoin provides merchants with an attractive alternative mechanism for  
36 accepting payment because transaction fees for bitcoin are generally much lower than those  
37 imposed by other payment processors;

38 WHEREAS, many major companies now accept bitcoin as a valid form of payment,  
39 including Utah-based Overstock.com; and

40 WHEREAS, the worldwide market capitalization of bitcoin is valued at about \$3.3  
41 billion US Dollars:

42 NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah, and  
43 the Governor concurring therein, recognizes the potential benefits that could come from the  
44 expanded use of bitcoin in the state and recognizes that the state could be a key player in  
45 promoting the use of bitcoin.

46 BE IT FURTHER RESOLVED that the Legislature and the Governor propose the  
47 creation of the Council on Payment Options for State Services to study whether and how the  
48 state could accept bitcoin as a valid form of payment.

49 BE IT FURTHER RESOLVED that the Legislature and the Governor propose that the  
50 council include the participation of representatives from the Office of the State Treasurer, the  
51 Division of Finance, the Governor's Office of Management and Budget, the State Tax  
52 Commission, the Department of Technology Services, subdivisions of the government that  
53 could viably accept payments from citizens in the form of bitcoin, private entities that accept  
54 payment in the form of bitcoin, local advocacy groups that support the use of bitcoin, merchant  
55 services that support bitcoin, and mainstream payment systems.

56 BE IT FURTHER RESOLVED that the Legislature and the Governor propose that the

57 state treasurer or the state treasurer's designee be the chair of the council.

58 BE IT FURTHER RESOLVED that the Legislature and the Governor encourage the  
59 council to identify any state or federal statutes, rules, regulations, or policies that would affect  
60 the state's ability to implement and operate a system by which the state could utilize bitcoin as  
61 a valid form of payment.

62 BE IT FURTHER RESOLVED that the Legislature and the Governor encourage the  
63 council to study how the state could minimize its exposure to risk if it accepted payment in the  
64 form of bitcoin.

65 BE IT FURTHER RESOLVED that the Legislature and the Governor encourage the  
66 council to share its findings, including recommendations, with the Revenue and Taxation  
67 Interim Committee before September 1, 2016.

68 BE IT FURTHER RESOLVED that a copy of this resolution be sent to the Utah state  
69 treasurer, the director of the Division of Finance, the executive director of the Governor's  
70 Office of Management and Budget, the executive director of the State Tax Commission, local  
71 advocacy groups that support the use of bitcoin, and other public or private entities that may  
72 have interest in the Council on Payment Options for State Services as proposed by this  
73 resolution.
